**Attachments:** Pesticides Issue Paper 9\_11\_14\_v1.EP.docx

Jenny,

I took a quick stab at implementing my suggestion to shift the issues paper from pros and cons for options a, b, and c to just pros for option a and pros for option b. For me, presenting one argument against one other argument is easier to follow. But I know that everyone has their own way – so, just putting it out there as food for thought.
